Dear Angela,

I hear that the DfE have recently sent out congratulatory letters from school's minister Nick Gibb for excellent performance at key stage 2 in 2016.

I am writing to congratulate you personally on receiving this acknowledgement on the DfE.

As the Deputy Directory of Education and Skills, it is my responsibility to ensure that all schools in Newham deliver excellent results for the children in Newham. I therefore find it really pleasing to see the high standards of attainment and progress that your school has delivered this year with new and more challenging accountability measures. Your results have further embedded the depth and breadth of excellence shown in Newham's primary school sector.

Thank you for all the hard work you, your staff and governors put into achieving the best outcomes for the children in your school. I hope you will share this letter with all those that have contributed to this achievement and I wish you every success for the rest of the year.

Best wishes
