From The Head Teacher's Desk

This week we celebrate the Virtues and Values Of:
EASTERWITH NEW BEGINNINGS!

Thought for the week:

"Jesus died to atone for the sins of **all** in the world-
Gentile and Jew, servant and master, women and men,
boys and girls, believers and those who choose not to
believe. By His resurrection, He triumphed over death
and opened the gates to **Everlasting Life** for all.
Salvation is still an open invitation to all!" Serenity

He is RISEN

The resurrection is spoken of more than
100 times in the **New Testament**.

If **Jesus Christ** had remained in the
grave, the story of His life and death would
have remained buried with him. The New
Testament is an effect of Christ's
resurrection. The resurrection does not grow
out of the story of His life, but the beautiful
story of Christ's life grew out of the fact of
His resurrection. The New Testament is the
book of the resurrection.

Christ's resurrection provides for us a chance for a
fresh start and new beginninglet us take the
opportunity to have....

EASTER SUNDAY was only the beginning of eight
weeks of Easter celebrations.... so let us continue to
enjoy the new life that Christ gives to all of us.

Golden Book Achievers

Next week we begin our first full week of school after the Easter break and we will be continuing our Golden Book rewards for two pupils in each class weekly. Their names will be published here each week. So, please encourage your children to work hard and behave well at all times and learn their times tables as well -this will help them towards winning the **HEAD TEACHER AWARD** at the end of this academic year!

Junior Leaders:

Our **Head Boy Adrian** and **Head Girl Louisa** along with their **Prefects and House Captains** will be in charge of many programmes this term as they continue to fully develop their wide range of roles and responsibilities. Our Junior leaders will continue to follow in the footsteps of Jesus and St. Anthony in their service to the school and the wider community.
