

### What is the role of a Family Connector?

To use their lived experience to reach out to families, connecting them with peer support in the following ways:

- Facilitating peer support groups and develop parent/caregiver network
- Supporting families around diagnosis to reduce feeling of stigma & isolation
- Working with services and the community to co-facilitate inclusive opportunities for families like co-production
- Empowering families to apply for Disability Living Allowance (DLA) and access workshops and opportunity to help them better support their children
- Co-facilitating or co-delivering support with other service providers
