

Post Diagnosis Parent Led Support Group

Emotional support for families of children aged 0-18 with a diagnosis of Autism

Strengthen, Empower & Nurture (SEN) in Newham

Purpose of the support groups:

- Family Connectors will provide emotional support to families who have a diagnosis of Autism
- Come along to meet other parents with similar experiences to you
- A great opportunity to make friends and access signposting to local services & support

Venue: West Ham Lane Health Centre, 84 West Ham Lane, Stratford, London, E15 4PT (The Lynda Rainger Room)

Day / Times:

Second Wednesday of every month from 10am – 12noon – Drop in for parent caregivers (No appointment needed)
