Additional Parental Comments written under "Any other comments":

- All staff work very hard with the children to help them achieve their best daily
- St Antony's is great at developing it's children's confidence and helps them shine
- There's many clubs, programmes and events; it really helps us as working parents
- More club spaces needed to accommodate more children in after school provisions
- The Head Teacher knows the children and families and genuinely cares about everyone
- My child entered the school from the Ukraine unable to speak or read English well and now speaks the language very well. He has special lessons out of class and at Lunch times to help him in yr6
- My son is High Needs and he is given great support with his learning every day-loves the cooking
- The school staff and children are warm and welcoming and made my son who is from India feel so happy. He was so excited to be on stage with his class for their Yr. 6 Assembly for Black History Month dancing and singing. Thank you St Antony's for showing such love and care to us!
- I love Class Dojo- it really helps parents and staff to communicate well on any matter- Brilliant!
- Do we have a PTFA currently? I have heard nothing happening in this area. I am willing to help.
- When there are problems, parents can always talk with the Head and staff on it- my daughter did not get into cheerleading club and I was not happy, but she was given Advanced Dace instead.
- I did not have School Ping and I went to the office and got help with it-thanks the office staff.
- I would never send my children to any other school –St Antony's is my Top School!

We conduct Parent Surveys on our Parents' Consultation Evenings annually because strategically, we can canvas the largest majority of parents possible –ensuring a broader scope of views are captured
